Student Facilities & Enrichments

1. Credit Scores

Students will be awarded non-academic credit scores upon successful completion of the course."

2. Student Exhibition

Showcase your artworks in curated spaces within Loreto College and renowned art galleries. Gain exposure, connect with collectors, and build your portfolio.

3. IAA–India International Artist ID-Card

Official recognition for participation, access to events, networks, and artistic resources.

4. Access to Global Art Events

Through IAA–India's international network, students gain opportunities to connect with global artists and participate in international exhibitions, art fairs, and cultural festivals, expanding both reach and creative experience.

5. Artist Incubation Cell Access

Step into a creative launchpad. Receive mentorship to promote, brand, and sell your artwork. From studio-to-market guidance, you'll be supported to turn your passion into a profession.

6. Global Showcasing Platforms

Selected works will be featured via IAA–India , connecting you to an international art audience.

7. Creative Enterprise Support

Training in artpreneurship, digital branding, storytelling, pricing models, and product packaging. Build your own art-based product line—from prints and zines to lifestyle pieces.

8. Workshops & Residencies

Special sessions on creative thinking, branding, and visual expression; opportunities to join art residencies through Univart Foundation's global network.

9. Publication in Reputed Art Journal

Selected student artworks and projects will be published in a reputed national/international art journal, offering academic and professional recognition, and visibility in the broader art community.
